37 -- Explain why managers should use the view instead of the base table.
38 -- Answer:
39 --     Because managers don't need confidential information like
40
41 -- Salary
42 -- Aadhar Number
43
44 -- The view exposes only the required columns.
45
46 -- Advantages
47
48 -- Better Security
```
